WAITLIST & HOLDING DEPOSIT CONDITIONS

Waitlist Fee

- To officially be added to our waitlist you are required to complete this form and pay \$200 through our website under the “waiting list” tab.
- You will be kept up to date with current information on future litters. Homestead Puppies does not announce this information. Please stay updated with us on social media, as we will regularly post announcements and updates. Our Instagram is @homestead.puppies.
- Homestead Puppies will only take a small number on our waitlist per litter, so we don't disappoint with long wait times.
- Once you are on our waitlist:
 - You will be notified when mum is pregnant
 - When the puppies have been born, we will notify you of the number of puppies born, their genders and colours. You will be able to decide where if you would like to defer your waitlist spot to a future litter, come off the waitlist or continue and pay your holding deposit to continue the process.
 - The \$200 waitlist fee will be deducted from your holding deposit.
 - Please note: The waitlist fee is non refundable under any circumstances and can be deferred only once to a future litter.

Holding Fee

- The holding deposit is separate to the waitlist fee and will only be requested to be paid once the litter has been born that you have been waitlisted for.
- If you have paid a waitlist fee, you will be required to pay \$800. However, if you haven't paid a waitlist fee, please note you will be required to pay \$1,000.
- We will then contact you based on your position on the waitlist to schedule an in person meeting with the puppies, allowing you to choose the one that best suits you.
- Once your holding deposit has been paid, you will also receive a weekly photo/video until your puppy is 8 weeks old.
- Your holding deposit is non-refundable if any of the following occur:
 - Change of mind
 - Financial hardship where the remaining amount left owing on your puppy cannot be paid for
 - Have found another puppy elsewhere.

You are entitled to a full refund or move to a future litter if the following occurs:

- **Puppy develops an illness or an unforeseen accident or death occurs before leaving**
- **At the time of any vet check, puppy is diagnosed with life altering or threatening illness/condition.**
